

Stampin' Savvy Nothing Sweeter Christmas Greetings Card

- **Stampin' Trimmer:** Create an A2 (4-1/4" x 5-1/2") Card Base with **Crumb Cake Cardstock** and cut **Festive Farmhouse Designer Series Paper (DSP)** 2-1/4" x 5-1/2"
 - On card front, draw a line in pencil 1" in from each side. This is where you'll place scalloped dies.
- **Big Shot Die-Cutting Machine:** Place scallop die on card front, along one side of pencil line. Place both tree dies (cut and stitch) on a small piece of **Mossy Meadow Cardstock**. Place second largest circle from the **Stitched Shapes Framelits Die** on **Cherry Cobbler Cardstock**. Run platform through machine. Remove circle and trees. Switch scallop die to other pencil line on card front. Cut (no stitching needed) a second tree from **Whisper White cardstock**. Run platform through.
- **Stamping:** Stamp garland on green tree with **Cherry Cobbler Classic Stampin' Pad**. Stamp greeting on **Whisper White Cardstock**. Trim to 5/8" x 4"; punch each end with **Triple Banner Punch**. Optional: stamp greeting inside card and/or on **Medium Whisper White Envelope**.
 - **SAVVY TIP:** To convert the greeting to a horizontal placement, simply mask each word with a Post-It Note or Washi Tape, ink stamp, remove mask and stamp on cardstock; repeat. **Want to see other masking ideas? Check out these [projects](#).**
- **Assembly:** Adhere DSP down center of card front, then circle with **SNAIL adhesive** or **Glue**. With same, adhere white tree behind green tree, slightly offset. Adhere on circle with **Stampin' Dimensionals**. Adhere greeting below it with **Stampin' Dimensionals**.
- **Embellish:** Color three **Epoxy Clear Droplets** with the brush tip of the **Stampin' Blends Dark Cherry Cobbler marker**. Let dry; adhere over select "ornaments" on tree.
