### STAMPIN' TRIMMER

1. Create a card base by scoring **Gorgeous Grape Cardstock** at 5-1/2" on the long side and cutting cardstock in half on the short side at 4-1/4". Fold and crease with **Bone Folder**.
2. Cut **How Sweet It Is DSP** 3" x 12". Score at 5-9/16 (find 5-1/2" then add one small line), then again 4" from the first score line (or 9-9/16"). Punch this end with **1" Circle Punch** to form finger notch for Gift Card Pocket (the score line is just under 2-1/2" from this end). Apply **Tear & Tape Adhesive** to sides (striped side of DSP) and fold up to form pocket. Burnish fold lines with **Bone Folder**.
