STAMPIN' TRIMMER

1. Create a card base by scoring **Thick Whisper White Cardstock** at 4-1/4" on the short side and cutting cardstock in half on the long side at 5-1/2". Fold and crease with **Bone Folder**.
2. Cut **GINGHAM GALA DSP** 1" x 4" for each color (SAVVY TIP: Stack all five sheets and cut them together. If the blade doesn't cut all five layers with the first pass, simply remove the ones cut and take a second pass on the lower layers. Not only is this quicker, but it also insures they're the same size).

STAMPING

1. Stamp sentiment and main butterfly on **Whisper White Cardstock** from the **BUTTERFLY GALA Stamp Set** with an **Early Espresso Classic Stampin' Pad**.

Stampin' Savvy GINGHAM GALA Scraps 'A Little Note' Card

- a. Punch out butterfly with the **BUTTERFLY DUET Punch**. **SAVVY TIP:** Now stamp the butterfly body... *it's easier to align AFTER it's been punched*
 - b. Trim sentiment on **Stampin' Trimmer** and punch end with **Triple Banner Punch**.
 - c. **SAVVY TIP:** Stamp & punch both butterflies. Use the small one on this card, save the larger one for another card... you'll be ready to go!)
2. **OPTIONAL:** Stamp a greeting on the inside of the card and butterfly on the **Medium Whisper White Envelope**. If you have a "watermark" stamp for the back, stamp it now, as well.

ASSEMBLE

1. Adhere Gingham Gala DSP pieces to card-front with **SNAIL Adhesive** or **Multipurpose Glue**, starting at the bottom and working up.
2. Cut a 12" piece of Grapefruit Grove twine from the **NATURE'S TWINE** set. Split apart the threads and use two pieces to form "nest". Adhere two small strips of **SNAIL Adhesive** to the Grapefruit Grove DSP, where the "nest" will be formed. This will hold the twine in place and make it easy to form the circle.
3. Layer sentiment strip on top, adhered with **Stampin' Dimensionals**.
4. Adhere butterfly to card with a Mini **Stampin' Dimensional**. If you'd like to stamp the antennae, do it before adhering. If you forget, doodle it with the **Early Espresso Stampin' Write Marker!**
5. Add a few **Basic Adhesive-Backed Sequins**.

Now make someone's day and give it away!
